Academic Project

Project Name : **“Realism in Manjula Padmanabhan Light’s Out”**

Description : The main theme of the play is associated with a sensitive issue a ‘gang rape’, probing various questions pertaining to exploitation of women in the society and home. The role of women in the world is designated by a man ever since history has been written. Padmanabhan throws light on man-women relationships and the patriarchal power that rule the society. A woman is always seen playing a subservient role to a man.

Strength

- Possess positive attitude.
